\*Be sure to sign on early to download software to your computer. For smart phones, go to your provider's app store and download the free Cisco Webex App.

## Panelists:

**Donald Jones, New England Patriots Wide Receiver, Retired**

Mr. Jones understands the importance of healthcare in a personal way he announced via Twitter recently that he will be retiring from the NFL because of a kidney disease that he has had for his entire life.

**Towanda Braxton, Actress and Singer**

Ms. Braxton, star of hit reality-show Braxton Family Values, member of the Braxtons' female R&B group, is also the leading character in the second season of Starting Over. Towanda and the Braxton family have battled Autism, Diabetes and Lupus and find health and resilience through family, spirituality and singing.

**Antonio Wilson**  
National Youth Leader, Health Advocate

**Dr. Cara James,**  
Director of the Office of Minority Health for the Center for Medicare & Medicaid Services"

Facilitator:

**Dr. Regenia Hicks, Principal Investigator and Senior Policy Advisor for American Institute for Research, and all the caring adults that strive for a greater, healthier future.**

This event is for youth, young adults, families, providers, system partners... and all the caring adults that strive for a greater, healthier future. For more information contact [info@nlcouncil.org](mailto:info@nlcouncil.org)
