

Peer Employment Training

September 16 -20

and

September 23-27

Sheraton Springfield Monarch Place Hotel

Peer Employment Training is an 80 hour training curriculum that focuses on teaching those with a mental health diagnosis the skills to work with other peers in the community.

This training is an opportunity for people with psychiatric experiences to take charge of their own recovery and then give back to their community by helping other individuals do the same. The Peer Employment Training recognizes that there is no better person to inspire hope in an individual new to mental health recovery than someone who has “walked the same path” as that individual.

All costs for your participation will be covered, including continental breakfast, and lunch.

Requirements:

- High school diploma or GED
- Lived experience of a mental health diagnosis
- Desire to share that experience with others.
- Ability to commit to 2 weeks of training
- Successful completion of the application.
